Grub Street's Restaurant Power Rankings: Brooklyn Cider House, Ha's Chinese, DaDong, and More

By Alan Sytsma |  @asytsma

Welcome to Grub Street's weekly survey of the most-talked-about, must-visit restaurants in New York City. The list below features spots both new and old ranked according to one important, ever-fluctuating (and admittedly subjective) metric: Who has the most buzz? Perhaps a famed chef has taken over the kitchen, or there's a new dish you absolutely must order. Maybe the restaurant is just brand-new, or the critics are raving about it. Whatever the reasons, these are the 12 hottest restaurants in New York right now.

3. **DaDong** (New this week)

Are people excited about the first American outpost of this popular Chinese chain (where the specialty of the house is superlative Peking duck)? Yes, they are, **very much so**.
