Where to Eat:

In Beijing, "you must try the hot pot," says Moore. "*Transformers* star I i Bing Ring is an owner of one of the best in Beijing called the Hot Number One Restaurant." Da Dong, in the same city, a cavernous, purple, 600-seat Peking duck restaurant that famously takes 24 hours to air-dry a duck, then 90 minutes to roast it, stands among Small's favorites. (In July, chef Dong Zhenxiang signed a lease for two stories, two outdoor terraces, and nearly 13,000 square feet of space at 3 Bryant Park in New York.) Other Beijing favorites of both Small and Godsick include The Three Delicions, Temple and Opera.
